CONRIED'S "FIND"

Romeo Fenton, Saratoga Lad Whom Manager Thinks Will Become the World's Greatest Grand Opera Tenor.

SERVED SPRING WATER AT \$3.50 PER WEEK.

Saved His Money, and Now Hopes to Reach Opera Singer's Highest Place-Tells Evening World of His Ambitions.

omeo Fenton, tenor. Herr Conried's "new discovery." now in training for a grand opera artist at the Metropolitan Opera-House Singing School, was for five years "dipper boy" at the "Red Springs," Saratoga. With the savings from his \$3.50 weekly wage for services as cup bearer to the wealthy patrons the spring, young Fenton is enabled to show his wonderful voice away from

Fenton promises to become the greatest tenor singer of the period. His voice, however, although rich, full and naturally placed, must first undergo the development process of Mme. Jaeger's school. His tuition is free-so remarkable was his voice that this special inducement was made him by Mr. Con-

In appearance the young man is mos prepossessing, with rosy red cheeks and curly brown hair. He is big-weight, 262

other member of Mme. Jaeger's class, now in her third year. "Romeo is a true artist. He sings like an angel. He is so good too-why the other night he would not even drink a glass of cider because he promised his mother

"How mean you girls are," said the big boy. "They have been teasing me over since I joined the class." You never would have reached E

flat above high C if it had not been us girls," replied the saucy Miss Hertzog, a classical blonde, "By jove, I did it," said Fenton,

"Down in Mme. Sembrich's dressingroom. The girls egged me to try, and I made the note.' Tears of real joy filled the big blue

Hopes for Europe.

Fenton has been in New York just five weeks. His attendance at the school allows him to visit every opera performance and all rehearsals. never uses tobacco, and by frugal living he hopes to stick through the

"Trying to reduce my flesh, too." he explained. "I go for a long walk every day. Maybe I will be one of the fortunate pupils selected for the summer classes in Europe. Herr Copried, the great master, in providing the school, has lifted me out from ob-

prepossessing, with rosy red cheeks and curily brown hair. He is big—weight, 262 pounds, height, six feet, and only nineteen years old. He is the son and the grandson of a blacksmith.

Father Sings at the Forge.

"My father. Walter Fenton, sings at the forge," said Romeo to an Evening World reporter to-day at his boarding place, No. 163 West Forty-ninth street.

"When a baby playing in the sun outside the shop. I remember father's voice," he continued. "It was, and is still, a beautiful tenor. So I come naturally by what, talent I may have. My father did not want me to become a blacksmith. He would have turned me into a doctor."

"That would have been terrible," interrupted Miss Jeanette Hertzog, another member of Mme. Jaeger's class, now in her third year. "Romeo is a nother member of Mme. Jaeger's class, now in her third year. "Romeo is a scurity, and whatever I may become is and whatever I may become is scurity, and whatever I may become I shall owe to him."

"When did you realize that there was merit in our voice?" was asked.

"That was done for me," was the strict was the play. "Miss Charlotte Warner, soprano, of my home, gave me the ...st start. She taught me all I know. My first appearance was when four-teen years old at a minstrel show given by Company L. N. G. N. Y. when I have any the patrons entered the baths. Here he met Max Hirsch, treasurer of the Metropolitan Opera-House; Richard and trained me for the test.

"Echo," by Lord Henry Somesak, for my trial before Herr Conried, and trained me for the test.

"Echo," by Lord Henry Somesak.

"Enland Ted Warner selected "Echo," by Lord Henry Somesak, for my trial before Herr Conried, and trained me for the test.

"Enland Ted Warner selected "Echo," by Lord Henry Somesak. For my trial before Herr Conried, and this great orchestra to accompany my voice. But I have only begun the real work."

All Our Marble Busts, Marble Pedestals, Jardinieres and Pedestals, Bronzes, Electroliers, Royal Bonn and Teplitz* Ware; Fine Lamps, Haviland China

No matter what a piece may be marked, you may take Twenty-five Cents off every Dollar's worth of anything mentioned in the above list—during this week. This means a bona-fide saving on the most-wanted of all Christmas things.

Perhaps you do not know that we have one of the largest and finest collections of these articles in this entire city. Our stock is entirely too great for the room at its disposal. So we plan a biz sweep—right at the entrance to the Hollday season.

Magnificent pieces, every one. The Marble Busts are originals by famous Italian artists; the Pedestals are as hand-some as you'll see anywhere. Bronzes and Electroliers are among the finest that come to America. The Royal Bonn and Teplitz you know all about—never saw a homely piece of either. Lamps are beauties—lower-priced ones are not included in the sale. Haviland China Dinner Sets and Tea Sets, too.

From off the regular marked prices the salespeople are instructed to DEDUCT 25%-the Fine Lamps, from \$7.50 saving is yours before your very eyes. Marble Pedestals from \$5.65.

Marble Busts from \$9.00. Jardinieres with Pedestals from \$4.50. Bronzes from \$5.00.
